

VCSA 2020 Graduate Scholarships & Bursaries

Purpose and meaning behind the VCSA's Scholarships & Bursaries:

These scholarships and bursaries are awarded to graduating Vanier students, who have inspired many in their commitment to the Vanier community, as well as outer school communities (ex: volunteer work at hospitals, charity work, ...). The VCSA Executive Council wishes to highlight students' hard work and perseverance, whether it be for athleticism, culturalism, environmentalism or any other extracurricular activity. From volunteer work to being a part of a club or a team, we would like to recognize Fall 2019 and Winter 2020 graduates who have made meaningful contributions to their community. The Vanier College Students' Association is proud to be giving a total of **\$20 000** in Scholarships and Bursary.
